WG Website

1. Achievements – IMIA WG Events and projects conducted, and publications completed

   Last period has been a low period, with informal activities, but no formal output.

2. Describe WG/SIG Participation - Engagement and participation in IMIA, IMIA Region or member health informatics events and activities in the past year

   WG Leadership has participated in MIE2022, organized by EFMI.

3. Provide details of the WG/SIG’s Outreach - Recruitment and engagement of new members and target communities, publicity, and representation at major events and/or on social media.

   The WG is setting up a mailing list / google group together with IMIA Services.

4. Current List of members:
   As we are setting this up, membership is still limited. We intend to work with IMIA Services to streamline the registration process for members, e.g., through IMIA’s website and newsletter. Having such infrastructure in place will help to formally shape the WG membership.
