

International Medical Informatics Association: Nursing Informatics Special Interest Group

WEB PAGE: <https://imia-medinfo.org/wp/sig-ni-nursing-informatics/>

WHAT IS IMIA-NI?

IMIA-NI is the world body for nursing and health informatics. The focus of IMIA NI is to foster collaboration among nurses and others who are interested in Nursing Informatics to facilitate development in the field. We aim to share knowledge, experience and ideas with nurses and healthcare providers worldwide about the practice of Nursing Informatics and the benefits of enhanced information management and education.

Your Executive Committee (2021-2024)
