

Inaugural Class of IAHSI – 2017

Suzanne Bakken

Suzanne Bakken is the Alumni Professor of Nursing and Professor of Biomedical Informatics at Columbia University where she leads an NIH-funded research center and training program focused on reducing health disparities through informatics. She is a Fellow and Past-President of the American College of Medical Informatics and a member of the National Academy of Medicine. In 2019, she will take the helm as Editor-in-Chief of the Journal of the American Medical Informatics Association.
