

Inaugural Class of IAHSI – 2024

Analia Baum

Analia Baum, MD and MSc, completed her specialty in Health Informatics and a master's degree in Education for Health Professionals at the Hospital Italiano de Buenos Aires (HIBA). She holds the position of full professor at San Andrés University, Favaloro University, and in the Master's program in Health Informatics at HIBA University. With over 20 years of experience advising on the implementation of Electronic Health Records in both public and private sectors, she served as Director of Health Information Systems at the Ministry of Health of the Autonomous City of Buenos Aires and at the Ministry of Health of the Argentine. She also held the role of Head of Training and Quality at the Department of Health Informatics at HIBA. Currently, she works as a medical staff. Additionally, she serves as a senior consultant in digital health for international organizations such as PAHO, WBG, and IDB.
