

Inaugural Class of IAHSI – 2017

Riccardo Bellazzi

Riccardo Bellazzi is Full Professor of Bioengineering and Biomedical Informatics. He is the Director of the Department of Electrical, Computer and Biomedical Engineering of the University of Pavia. Moreover, he leads the Laboratory of Biomedical Informatics at the ICS Maugeri hospital in Pavia.

The scientific interests of Prof. Bellazzi are highly interdisciplinary and are aimed at applications of informatics to medicine and life sciences, comprising artificial intelligence, biomedical data mining, temporal data analysis, decision support, clinical research informatics. Prof. Bellazzi has a wide and internationally recognized research activity. He is involved in several EU-funded projects related to IT in medicine and bioinformatics. He is a member of the editorial board of biomedical informatics journals and co-founder of two academic spin-offs. He is Fellow of the American College of Medical Informatics and Founding Fellow of the International Academy of Health Sciences Informatics.
