

Class of IAHSI – 2019

Olivier Bodenreider

Olivier Bodenreider, MD, PhD, is a Senior Scientist and Acting director of the Lister Hill National Center for Biomedical Communications at the U.S. National Library of Medicine. His research focuses on terminology and ontology in the biomedical domain, both from a theoretical perspective (quality assurance, interoperability) and in their application to natural language processing, knowledge discovery and information integration. He is a Fellow of the American College of Medical Informatics.
