

Inaugural Class of IAHSI – 2017

William (Bill) Hersh

William Hersh, MD, FACMI is Professor and Chair of the Department of Medical Informatics & Clinical Epidemiology in the School of Medicine at Oregon Health & Science University. He is a leader and innovator in biomedical informatics both in education and research. In education, he is Director of OHSU's Biomedical Informatics Graduate Program and is known for innovations in distance learning, including conceptualizing and implementing the first offering of the AMIA 10x10 Program. His research contributions have been in information retrieval and informatics workforce development. He has published over 200 peer-reviewed papers and is co-editor of the book, Health Informatics: Practical Guide (7th Edition, Lulu.com). More information about Dr. Hersh can be found on his [Web site](#). He also maintains the [Informatics Professor Blog](#).
