

## Class of IAHSI - 2022

**Charles Jaffe**

Dr. Jaffe is the Chief Executive Officer of Health Level 7 International (HL7). He completed his medical training at Johns Hopkins and Duke Universities and post-doctoral training at the National Institutes of Health and the Lombardi Cancer Center. At NIH, he worked in the Laboratory of Clinical Investigation of NIAID. He has served in various academic positions in the Departments of Medicine and Pathology, as well as in the School of Engineering. Prior to joining HL7, he was the Senior Global Strategist at Intel. In addition, he led a national research consortium, found a consultancy for research informatics, served as the VP of Medical Informatics at AstraZeneca, and the VP of Life Sciences at SAIC. Currently, he is the Visiting Scholar at the University of California San Diego. Charles has been the contributing editor for several journals and has published on clinical management, informatics deployment, and healthcare policy. In addition to his election as a Fellow of the International Academy of Health Sciences Informatics, he is also a Fellow of the American College of Physicians and the American College of Medical Informatics.
