Petra Knaup-Gregori

Petra Knaup-Gregori is professor for medical informatics at Heidelberg University Hospital (Germany). She currently serves as the deputy director of the Institute of Medical Informatics in Heidelberg and is responsible for the Heidelberg part of the medical informatics program (BSc./MSc.) which was established in 1972 as a joint program with University of Applied Sciences Heilbronn. She is editor-in-chief of [GMS Medizinische Informatik, Biometrie und Epidemiologie](#), an official journal of the German Society for Medical Informatics, Biometry and Epidemiology (GMDS), which publishes scientific, peer-reviewed papers as diamond open access. She was IMIA representative of GMDS from 2011 to 2018 and managing editor of the IMIA yearbook of Medical Informatics from 2000 to 2006. She has also been a member of the editorial board of "Methods of Information in Medicine" since 2011 and the GMDS representative in this board since 2020.
