

Inaugural Class of IAHSI – 2017

Daniel Luna

Dr. Daniel Luna, Chair at the Department of Health Informatics at Hospital Italiano de Buenos Aires (HIBA), Argentina. He has been one of the creators, and coordinator, of the Medical Informatics Residency Program at HIBA and he was responsible for leading the development and implementation of the Clinical Information System of that institution. Dr. Luna served as Chair and Co-Chair of the Working Group on Health Informatics for Development for IMIA. He also participated in the development of several training programs in the region, including a Spanish version of the OHSU version of the 10x10 program. His most recent publications can be found [here](#)
