

Class of IAHSI - 2023

Sarah Rossetti

Sarah Rossetti, RN, PhD, FAMIA, FACMI, FAAN, FIAHSI, is an Associate Professor of Biomedical Informatics and Nursing at Columbia University. Her research is focused on identifying and intervening on patient risk for harm by applying computational tools to mine and extract value from EHR data and leveraging user-centered design for patient-centered technologies. She is chair of AMIA's 25x5 Task Force to reduce clinician documentation burden. Dr. Rossetti is an experienced critical care nurse. She was selected as a 2019 recipient of the Presidential Early Career Award for Scientists and Engineers (PECASE).
