

## Class of IAHSI - 2023

### **Ann Kristin Rotegård**

Ann Kristin Rotegård, RN, PhD is the Managing Director of VAR Healthcare, Cappelen Damm AS. [VAR Healthcare](#) is a clinical knowledge- and decision support system, used across the continuum of care in the Nordic and German speaking countries, and being piloted in English speaking countries.

Her special interest is nursing documentation, terminologies and decision support. Except for contributing to making evidence usable for education and clinical practice through digital tools, her research is about patients' health assets

(people's strengths, resources and empowerment), nursing documentation, clinical decision support, and terminologies.

Her publications can be found [here](#).
