

## Inaugural Class of IAHSI – 2017

**Dean F. Sittig**

Dean F. Sittig is Professor of Biomedical Informatics at the University of Texas Health Science Center in Houston, Texas and Executive Director of the Clinical Informatics Research Collaborative. His research focuses on the safe and effective design, development, implementation, and evaluation of clinical information and communication systems. He works to improve understanding of sociotechnical factors that lead to success and unintended consequences associated with their use. See [Publications](#)
