

## Class of IAHSI - 2023

### **Colin G. Walsh**

Colin G. Walsh, MD, MA, FACMI, FAMIA, FIAHSI is an Associate Professor of Biomedical Informatics, Medicine, and Psychiatry at Vanderbilt University Medical Center. He is an internist. He received a degree in Mechanical Engineering from Princeton University and his medical degree at the University of Chicago. He completed residency and chief residency in internal medicine at Columbia University Medical Center. He received a degree in Biomedical informatics at Columbia University and joined the faculty at Vanderbilt University in 2015.

Dr. Walsh's research includes: 1) predictive decision support to enable prevention; 2) scalable phenotyping for precision medicine; and 3) population health informatics. His research with an international team of collaborators has been funded by diverse agencies including the NIH, FDA, DoD, Wellcome Foundation, and philanthropy. His work has been featured in Newsweek, Wired, Quartz, NBC News, ACM Tech News, the Washington Post, Reuters Health, and more.
