SUMMARY

Dr. Ying Wu, Dean and Professor of Capital Medical University in Beijing, China. She was honored as the “Beijing Municipality Renowned Teacher”, honorary Professor of School of Nursing, Deakin University, Australia, and Honorary Alumni of School of Nursing, University of Pittsburgh, USA. She is appointed by the China Ministry of Education as the Chair of the Working Committee for Accreditation of Nursing Education and Vice Chair of the Steering Committee for Higher Nursing Education.

She is current serving as the Vice President of the International Medical Informatics Association. She served as the President of the Asia Pacific Association for Medical Informatics, Vice President of Chinese Medical Informatics Association (CMIA), and Chair of the CMIA Committee of Nursing Informatics (CMIA-NI). She created and Serves as the founding Chair of the Nursing Informatics Sub-Associate, Standardization Committee for Nursing Care, and Consortium of Nursing Innovation and Industrialization under the umbrella of Chinese Health Information and Big Data Association. She created and serves as the founding President of the Sub-Association of Smart Care for Elderly under the umbrella of Aging Well Association. She also serves as the Member of the Board of Director, International Council of Nurses and the Vice President of Chinese Nursing Association, and President (also founder) of the Association of Disaster and Emergency Nursing Rescue, Chinese Association of Medical Rescue.

She has more than 30 years of cardiovascular (CVD) experience in nursing practice (including advanced nursing practice), Education and research. Her research areas including CVD acute care and behavior changes for CVD patients, especially using mobile health technology. She is the principal investigator of five projects funded by the Natural Science Foundation of China and more than 10 projects from other funding sources with a total funding of over 6 million (approximately over one million US dollars). She is also the PI of a big research project “Development of a Virtual Hospital for Nursing Training and Performance Assessment” From Beijing Municipal Education Commission with a funding of 40 million RMB (approximately 6 million US dollars). She has more than 140 publications and is the editor or vice editor for 15 books and

author of more than 20 books. She is the deputy editor or member on the editorial board of eight nursing professional journals.

EDUCATION & TRAINING

4/2006-12/2006	Executive Hospital Administration Cheung Kong Graduate School of Business	
9/2003-7/2006	Cardiology, Internal Medicine School of Medicine Wuhan University	PhD
3/1997-8/1998	School of Nursing Acute Care Nurse Practitioner Program Specialized in CVD University of Alabama at Birmingham	M. S. N.
9/1996-12/1996	School of Nursing Acute Care Nurse Practitioner program specialized in CVD Columbia University, USA	MS Student
5/1993-(2weeks)	Community Health Nursing Exchange Program between China and Israel Ministries of Health	Visiting Scholar
2/1992-4/1992	Community Health Nursing School of Nursing, University of Michigan, USA	Visiting Scholar
9/1984-7/1987	Advanced Nursing Program Department of Nursing, Nanjing Medical University Nanjing, Jiangsu Province, P.R.China	Full-time Student
1/1979-1/1981	Nursing Program Health School, Suzhou Medical College Suzhou, Jiangsu Province, P.R.China	Full-time Student

LEADERSHIP (Appointed)

2019/3-	Chair Working Committee for Accreditation of Nursing Education Ministry of Education, China	
2018/11/1-	Vice Chair Steering Committee for Higher Nursing Education Ministry of Education, China	

14/10/2011-Present	Dean Clinical Nursing College Capital Medical University
1/2007-present	Dean School of Nursing Capital Medical University
7/2004- 12/2006	Associate Dean School of Nursing Capital Medical University
4/2006-12/2010	Associate Dean International School Capital Medical University
9/2001-7/2003	Associate Dean School of Nursing Peking University
9/2000-6/2003	Director of Academic Affairs Office School of Nursing Peking University

LEADERSHIP (Elected)

1. Founder and Founding Chair, Nursing Informatics Sub-Associate, Chinese Health Information and Big Data Association, Dec. 2018-Dec. 2023
2. Founder and Founding Chair, Standardization Committee for Nursing Care, Chinese Health Information and Big Data Association Nursing Branch, Dec. 2018-Dec. 2023
3. Founder and Founding President, Consortium of Nursing Innovation and Industrialization, Chinese Health Information and Big Data Association Nursing Branch, Dec. 2018-Dec. 2023
4. Founder and Founding President, Sub-Association of Smart Care for Elderly, Chinese Aging Well Association, Dec. 2018-Dec. 2023
5. Chair, Scientific Committee, ICN Congress 2019, Jan. 2018-Jul 2019
6. Vice-President, Chinese Nursing Association, Dec. 2017-Dec. 2022

7. Chair, Working Committee for Scientific Research, Chinese Nursing Association, Dec. 2017-Dec. 2022
8. Member of the Board of Directors, International Council of Nurses. 2017-2020
9. Vice President, International Medical Informatics Association, 2017-2019

TEACHING EXPERIENCE

1/2007-present	Professor in Nursing, Adviser for PhD, Post-Doctor, and MSN Capital Medical University, School of Nursing
7/2004-12/2006	Associate Professor in Nursing Capital Medical University, School of Nursing
9/2003-12/2006	Associate Professor in Nursing Training Center for Overseas, Peking University, P.R. China
9/2001-7/2003	Associate Professor in Nursing School of Nursing, Peking University, P.R. China
7/2000-8/2001	Assistant professor (Lecturer) School of Nursing, Peking University, P.R. China
9/1996-12/1996	Teaching Assistant School of Nursing, Columbia University, USA
10/1993-7/1995	Assistant Professor School of Nursing, Beijing Medical University, P.R. China
1/1989-10/1993	Professor Assistant School of Nursing, Beijing Medical University, P.R. China

CLINICAL EXPERIENCE

10/1998-5/2000	APN, Intensive Care Unit West Houston Medical Center Houston, TX. USA
1/1998-5/1998	Nurse Practitioner Student in CCU, MICU, and Cardiovascular Clinic University Hospital, University of Alabama at Birmingham

9/1997-12/1998	Nurse Practitioner Student in Family Practice Family Practice Center, University of Alabama at Birmingham
7/1987-12/1988	RN, Cardiothoracic ICU (CTICU), CCU The First Teaching Hospital, Suzhou Medical College, P.R. China
2/1981-8/1984	RN, Departments of General Surgery and CTICU The First Teaching Hospital, Suzhou Medical College, P.R. China

RESEARCH FIELDS

- Critical and continuous care of patients with cardiovascular disease
- Nursing informatics, especially in using IT to manage and prevent CVD, and to provide elderly care

PROJECTS AND RESEARCH GRANTS

1. **Wu, Y. (PI).** Role of IL-6 in Causing Post-Operative Atrial Fibrillation after Coronary Bypass Grafting: Molecular Mechanism and Genomic Bases. Funding: Natural Science Foundation of China (NSFC). 2020-2023
2. **Wu, Y. (PI).** Project for Constructing “Top-Education-Program”, Beijing Municipal Commission of Education. January 2018 – December 2022, ¥40,000,000
3. **Wu, Y. (Co-PI).** “Belt and Road” Training Centers, September 2017-December 2019, ¥1,300,000.
4. **Wu, Y. (PI).** SMART integrated elderly care model based on human nervous response principle: underlining coordinative mechanism, development, and implementation. Funding: Natural Science Foundation of China (NSFC 7151101044). 2016-2018, ¥2,000,000
5. **Wu, Y. (PI).** The development and evaluation of health behavior change model and mobile health management model for patients with coronary heart disease. Funding: NSFC 71573181. 2016-2019, ¥588,000
6. **Wu, Y. (Co-PI).** Exploring of home-based nursing care model for patients with stroke in Beijing under the background of Regional Health Care Consortium. Key Nursing Research Founding of Beijing Municipal Commission of Education (16HL03). ¥60,000. (2016.1-2017.12)
7. **Wu, Y. (PI).** Implementation study and evaluation of Inter-professional Education for Medical and Nursing Students. Key research project funded by Chinese Medical Association Medical Education Research (2016A-RC002). ¥10,000. (2016.3-2018.4)

8. **Wu, Y. (PI)**. Construction of an Inter-professional Education platform for Medical and Nursing BS Students. President's Foundation of Capital Medical University. ¥8,000 (2011-2012).
9. **Wu, Y. (PI)**. Mechanism of prone position in reducing lung damage induced death in rabbits with massive gastric aspiration. Funding: 2015 Scientific Research Common Program of Beijing Municipal Commission of Education (KM201510025013), 2015-2017, ¥150,000.
10. **Wu, Y. (PI)**. The development and implementation of a 3-D virtual simulated training prototype for nursing students in improving nursing competences. Funding: China Education Association for International Exchange, Ministry of Education, 2013-2014. ¥300,000
11. **Wu, Y. (PI)**. The molecular mechanism, genomic bases, and predictive value of Local IL-6 in the occurrence of atrial fibrillation after cardiac surgery: An animal and clinical study. Funding: NSFC 81170107.2012-2015, ¥60,000
12. **Wu, Y. (Co-PI)**. Bridging the Gap on CHD Secondary Prevention (BRIG), III phrase research. Funding: 2011World Heart Foundation. Period: 2011-2013. ¥3,000,000
13. **Wu, Y. (PI)**. Development of assessment tools of nursing core competency. Funding: Chinese Medical Association. Period: 2011-2013. ¥5,000
14. **Wu, Y. (PI)**. Development of assessment tools of nursing core competency for undergraduate nursing education. Funding: President's Foundation of Capital Medical University. Period: 2011-2012. ¥3,000
15. **Wu, Y. (PI)**. Effects of a reinforcing model on long-term retention of CPR skill for family member of patients at high risk of SCD and survival rate of SCD. Funding: Beijing Municipal Commission of Education.2011-2013. ¥1,500,000
16. **Wu, Y. (Sub-project PI)**. Effects of a reinforcing model on CPR skill retention for family member of patients at risk of SCD. Funding: Ministry of Health, P.R. China . ¥300,000
17. Wang, YL (PI), **Wu, Y. (Co-PI)**. Designing and testing of a new type of anti-contamination syringe. Capital Medical University.11JL20, 2011-2014, ¥40,000
18. Wang, YL (PI), **Wu, Y. (Co-PI)**. A predictive model of gastric aspiration in patients with mechanical ventilation in neuro-surgical intensive care unit. Funding: Foundation for Capital Traditional Chinese Medicine and Nursing Research. 2010-2012. ¥30,000
19. Yue P. (PI), **Wu, Y. (Co-PI)**. Long-term outcomes of patients developed delirium while in ICU. Funding: Foundation for Capital Traditional Chinese Medicine and Nursing Research. 2010-2012. ¥30,000

20. **Wu, Y. (PI)**. Competency-based education model for nursing profession. Funding: Ministry of Education of China. Period: 2007-2014. ¥ 200,000
21. **Wu, Y. (PI)**. Effect and its mechanisms of atrial inflammation on the occurrence and maintenance of atrial fibrillation after coronary artery bypass grafting in canine. Funding: NSFC 30871049. 2008-2010. ¥ 300,000
22. **Wu, Y. (PI)**. Effect and its mechanisms of prone position on the prevention of aspiration-induced lung injury in pigs. Funding: Beijing Municipal Education Commission. 2009-2011. ¥ 150,000
23. **Wu, Y. (PI)**. Investigation of incidence and risk factors of ICU delirium. Funding: Capital Medical University. 2007-2009. ¥ 30,000
24. **Wu, Y. (PI)**. Effects and its mechanisms of prone position ventilation on oxygenation in pulmonary acute respiratory distress syndrome in pigs. Funding: Funding Project for Academic Human Resources Development in Institutions of Higher Learning Under the Jurisdiction of Beijing Municipality [PHR(IHLB)]. 2007-2009. ¥ 100,000
25. **Wu, Y. (Co-PI)**. Effects of health education on knowledge, attitudes, and behaviors in AIDS high risk population in Houhai Bar Street. Funding: Global Foundation of AIDS Control Project. 2007-2008. ¥ 100,000
26. **Wu, Y. (Co-PI)**. Effects of supported reinforcement on retention of CPR skills in family members of sudden cardiac death high risk population in Beijing. Funding: Joint Project of Academic & Clinical of Capital Developing Foundation. 2006-2008. ¥ 100,000
27. **Wu, Y. (Co-PI)**. Evaluation of EASI 12-lead ECG in detecting myocardial ischemia. Funding: PHR (IHLB). 2006-2007. ¥ 15,000
28. **Wu, Y. (PI)**. Effects of Health education on knowledge, attitudes, and behaviors in AIDS high risk population in wholesale market vendors. Funding: AIDS Control Committee of State Council. 2006-2007 ¥ 110,000
